"It is unquestionably the proper thing to settle our foreign explanar difficulties."

Democratic leader said to-might that a purely expaning tax on the restricted.

d over the suggestion that a tax be levied on railroad tickets, tax would yield approximately and certain in its results. It is admitted by Democrate that the tax would be unperular and that it might have a seri-ous effect in the forthcoming elections. An iternative proposal is that a tax of per cent, should be levied on frieght

I per cent, should be levied on frieght. This also has been attacked.

Another suggestion was made that an excise tax might be levied on the manufacture of automobiles, based either upon value or horse-power, or that a license tax should be laid on the use of automobiles.

GO THROUGH ENGLAND

Returning Americans on Philadelphia Tell of Czar's Sol-

The movement of Russian troops rough England was further confirmed last night by passengers on the American liner Philadelphia, which left Liverpool

August 29.
Parker Sloane of 347 West Eighty-Parker Sloane of 347 West Eightyseventh street said his train from London to Liverpool was held up three hours
for the passage of Russian soldiers, who
had been landed at Hull and in Scotland.
"All this was being kept very quiet,"
he said, "but I learned that there were
50,000 Russian soldiers in the body that
held up our train, and it was said that
this was only the vanguard."
G. R. Gifford of Butler, Pa., who had
come from India, said he saw 10,000 Russian soldiers in London.
The Philadelphia brought 651 in her
first cabin and 226 in the steerage. There
was some complaining about the accom-

but there was pienty to eat on the voyage and the passengers did not suffer. The trip was uneventful. KILLED 4,700 OUT OF 5,000.

Paris, Sept. 5.—The Journal's correspondent at Cette sends an account of the destruction of a German force of 5,000 men massed 'n front of a fort at Luneville, as given by the commander of the Germans, now a prisoner at Cette.

He said that his force endured the bombardment of the French guns for two hours until only 300 men were left. The commander then conferred with the remaining officers and non-commissioned naining officers and non-commission officers, twenty-one in all, and it was de-cided unanimously to surrender.
